- 7:00am** Half Marathon and 10K Start
- 10:50am** 5K Start
- 2:00pm** Event concludes

PARKING/TRANSPORTATION:

Pre-Paid Parking: all official ballpark lots (A, C, Pier 48) are reserved for pre-paid passes ONLY. No cash will be accepted onsite. You can obtain a pass for \$15 during the race registration process, or by emailing us at info@giantrace.com (while available). DO NOT try and show up with cash and park in ballpark lots, as you will be turned away. This is an effort to improve traffic flow and eliminate congestion on race morning. **Additional Parking:** there are many metered spaces in the area available on Sunday mornings. Please see www.giantrace.com for full details. **Public Transit:** we encourage you to take public transit, because as you know, we are not the Texas Rangers and there are no empty fields of grass next to our stadium. MUNI runs early, and taxicabs/uber are always awake.

SPECTATOR INFO:

Oracle Park is open for friends and family to watch you finish! Seating will be allowed in the lower concourse and outfield bleachers. Entry/exit into Oracle Park is available via the Willie Mays Plaza entrance. No spectators will be allowed on the field.

COURSE TIMELIMITS:

If you are participating in the half/10k, please be prepared to turnaround at a location other than your race's respective turnaround point if instructed by race staff. Half/10k runners that do not maintain a 15:00 minute/mile pace may be instructed to turnaround and head back to the Finish Line to accommodate road openings mandated by the City of San Francisco. The 5k course will close at 12:30pm (90 minute time limit). For all distances, any participants who do not maintain pace proceed at their own risk, will be required to use sidewalks adjacent to the course, and must abide by stoplights and pedestrian traffic laws. If you happen to be on the course after the required pace time, we will still keep the finish line open a bit longer if possible.

DIGNITY HEALTH KIDS RACE & FAMILY RELAY:

The Kids and Family Relay race will take place on Saturday, September 7th with the first heat starting at 12:00PM. We ask all participants to be in their staging area in section 128 (right behind the Giants bullpen) at least 30 minutes before their heat time. All kids and families who registered prior to July 18th, 2019 will have race bibs mailed.

KIDS RACE TIMELINE - SEPTEMBER 7, 2019:

Ages 10-12	12:00pm
Ages 7-9	12:15pm
Ages 4-6	12:30pm
Family Relay	12:45pm

Finish on the Field at Oracle Park!

Sunday, September 8th

RACE INSTRUCTIONS

The Giant Race welcomes you!

2019 PRE-RACE EXPO INFO:

Expo Hours: *Friday, September 6th 3pm-7pm*
Saturday, September 7th 9am-4pm

GEAR CHECK:

Starting at 5:00am all participants will be offered the opportunity to check gear on Terry Francois Boulevard near Parking Lot A at Oracle Park. Gear may consist of your small personal items and articles of warm up clothing. Please note that Gear Check vehicles will not re-locate, i.e. sweat drop off and pick up will be in the same location. Due to space constraints inside Oracle Park, we will not be able to distribute gear at the finish line. Please plan accordingly.

LEXUS START LINE PROCEDURE:

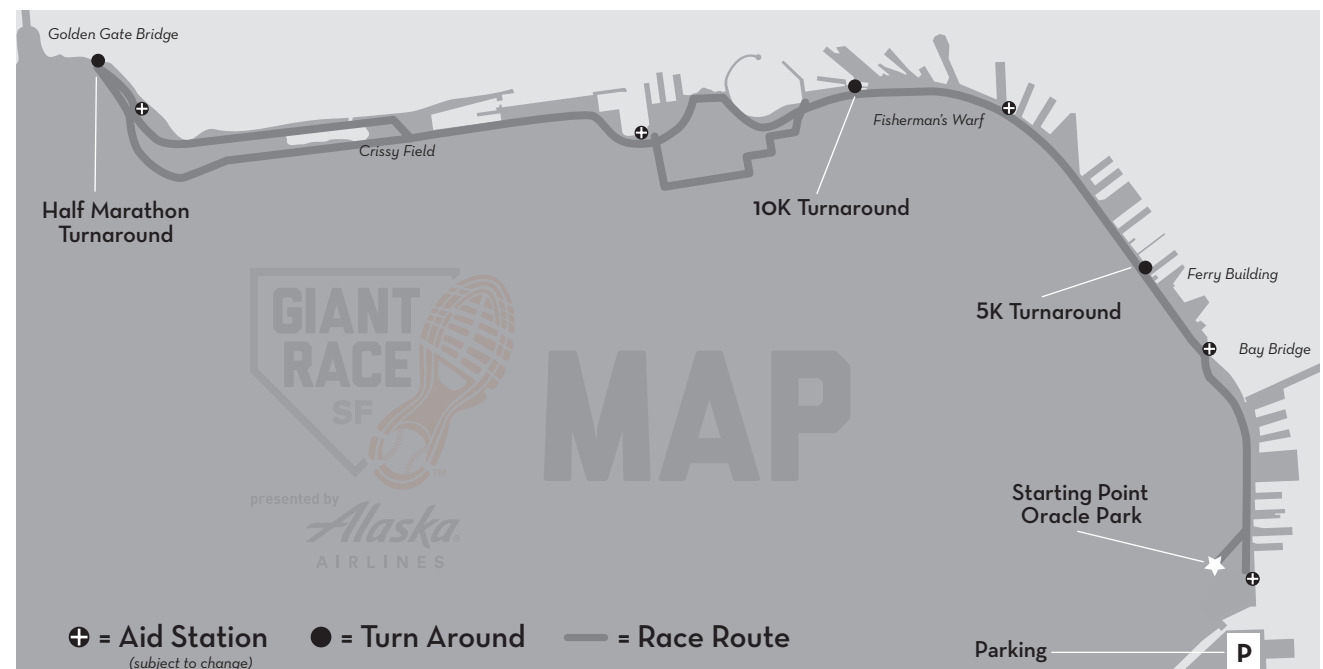

We ask that you find the proper starting corral (based on your expected pace time). To gain entrance to the appropriate pace corral, all half/10k runners must wear the wristband assigned to you based on the pace chosen during registration. Half/10K runners must be in place by 7:00am. All runners in the 5k must be in place by 10:45am. Pace corrals will be marked when you arrive on race day. Pace corrals help ensure all runners have their desired race experience, alleviating congestion along the course. There are no pace corrals for the 5K. Please be courteous of those running with you and use the appropriate pace corral. The starting line will close to new starters at 7:45am and 11:45am, respectively. Should you start after these times, we welcome you to enjoy the race, but you will not receive an official race time.

FINISH LINE PROCEDURE:

After your exciting finish inside the park, please take a quick moment to catch your breath, and then continue through the finish area to warm down and grab a refreshment. We've got lots of runners coming through the finish area this year, so we want to give everyone equal chance to have a traffic free finish. We'll hand you water immediately, and then you'll have a chance to hang out on the field for a few minutes while grabbing a snack and before meeting your family in the stands. Please note that no family members will be allowed on the field. Lastly, since you do not already have your runner bobblehead (that everyone else received at the expo), you'll need to stop by and pick it up on your way out. The bobblehead pickup area on race day will be at the Hall of Bobbleheads along the left center field Promenade level. There will be plenty of race day announcements on the PA system inside the stadium, directing you to the proper location.

WATER STATIONS:

There will be seven aid stations along the half marathon course. All 7 support the half marathon, four serve the 10K, and 1 serves the 5K. Each aid station will be equipped with water, Powerade, toilets, and general first aid supplies.

ANY QUESTIONS PLEASE CALL THE RACE OFFICE AT 415-972-1881 OR EMAIL US AT INFO@GIANTTRACE.COM
